WHEREAS the minutes of the Killarney Health Centre Board meeting held on September 23, 2026, indicate that the Board proposed extending the Medical Secretary's contract to November 20, 2026, subject to confirmation by the Municipal Treasurer that sufficient funds are available within the Killarney Health Centre's budget to cover the extension;

AND WHEREAS the Municipal Treasurer has advised that sufficient funds cannot be confirmed, as the applicable budget line item is projected to exceed the approved budget by approximately $6,000, plus associated benefits;

THEREFORE BE IT RESOLVED THAT Council does not support the proposed extension of the Medical Secretary's contract to November 20, 2026, as the additional costs cannot be accommodated within the confirmed budget allocation and may result in a deficit in the Killarney Health Centre's 2026/2027 budget.

WHEREAS Council hereby receives the Staff Report dated October 14, 2026, prepared in response to the Notice of Motion submitted by Councillor Campbell at the September 9, 2026 council meeting requesting a feasibility study regarding the potential construction of a water tower;

AND WHEREAS Council agrees that a qualified professional engineering or consulting firm be retained to prepare a detailed Request for Proposals (RFP) and scope of work for a comprehensive feasibility study regarding the potential construction of a water tower for the Municipality of Killarney;

AND WHEREAS the RFP and scope of work shall identify, at a minimum, the Municipality's existing water system requirements; water storage and pressure requirements; potential water tower options and capacity; potential site locations; technical and engineering requirements; environmental and geotechnical considerations; regulatory requirements; estimated capital and operating costs; funding considerations; and other viable alternatives;

AND WHEREAS the professional engineering or consulting firm shall provide recommendations regarding the appropriate phasing and staging of the feasibility study, including the anticipated work, deliverables and estimated costs associated with each stage;

AND WHEREAS the costs associated with preparing the RFP and any subsequent feasibility study are intended to be funded through the Municipality's water/sewer system revenues and recovered from water/sewer users, subject to consideration of available grant funding or other external funding opportunities that may offset all or a portion of these costs;

AND WHEREAS the proposed RFP and scope of work shall be presented to Council for review and approval prior to initiating the procurement process for the feasibility study;

AND WHEREAS Council shall not commit to proceeding with the feasibility study until the following recommendations identified by KEC have been addressed to Council's satisfaction:

1. Confirm that a fire flow rate of 32 L/s is adequate;
2. Undertake a Power Quality Study at the Water Treatment Plant, and consider completing a similar study at the low lift pump station;
3. Complete a lagoon sludge survey and, based on the results, consider budgeting for the dewatering of lagoon cells;
4. Conduct confirmatory hydrant fire flow testing; and
5. Carry out an assessment of hydrant spacing;

NOW THEREFORE BE IT RESOLVED THAT Council authorizes the retention of a qualified professional engineering or consulting firm to prepare the RFP and scope of work for the proposed water tower feasibility study, with the associated costs to be identified for Council's consideration;

AND FURTHER THAT the proposed RFP and scope of work, including the recommended phasing, deliverables, estimated costs and proposed funding arrangements, be brought back to Council for review and approval before any procurement process for the feasibility study is initiated;

AND FURTHER THAT the Project Coordinator be directed to investigate available grant funding and other external funding opportunities to assist with the costs of the proposed feasibility study;

AND FURTHER THAT the Treasurer be directed to include, in the draft 2027 Water and Sewer Budget for Council's consideration and approval, a provision for the cost of preparing the RFP and, subject to Council's future approval, the potential feasibility study, with such inclusion not constituting authorization to proceed with the feasibility study or incur the associated costs.
