Property Roll #5136 000 001 26600

25-410 BY NIKOLA GRUBIC – MARY BRADBURY

WHEREAS the owner of the Killarney Bay Inn (KBI) has requested permission to connect a seasonal staff housing trailer to the KBI structure where the water and sewer mains are located at 2000 Noble Street;

AND WHEREAS Municipal By-law No. 2008-20 allows connections between buildings on the same property with the approval of Council;

AND WHEREAS the Municipality's operating authority, the Ontario Clean Water Agency (OCWA) has no concerns with the proposed connections other than requiring that a backflow preventer be installed;

AND WHEREAS the Municipality of Killarney requires the following information and confirmations to be submitted:

- A detailed plumbing plan design for review and approval by the Municipality's consultant, Pinchin Ltd., confirming the design adheres to the required vertical separation distance as specified by the Ministry of Environment, Conservation & Parks (MECP) Standard F-6-1 (*requirement for crossings*), ensuring proper support for both water and sewer lines;

WHEREAS Canada's east-west trade and national mobility rely on the Trans-Canada Highway system, including Highways 17 and 11 across Northern and Eastern Ontario, which carry significant freight volumes but remain predominantly two-lane corridors; and

WHEREAS four-laning the entirety of Highway 17 is the ultimate goal of the communities along the corridor; and

WHEREAS the proven "2+1" highway design - alternating passing lanes with a continuous median barrier - delivers safety outcomes comparable to full twinning at substantially lower cost, land, and environmental impact, and can be scaled or converted to four lanes (2+2) as volumes grow; and

WHEREAS the Government of Ontario has announced a 2+1 pilot between North Bay and Temagami and a further extension toward Cochrane, creating a near-term implementation pathway; and

WHEREAS modernizing Highways 17 and 11 will improve safety, reduce closures, strengthen supply-chain reliability for mining, forestry, agriculture, tourism and manufacturing, and enhance national resilience and emergency response capacity; and

WHEREAS a phased 2+1 build - prioritizing Highway 11 (North Bay --+ Cochrane, then Cochrane --+ Nipigon) and key sections of Highway 17 (western border of County of Renfrew--+ Sudbury; Sault Ste. Marie--+ Sudbury; Thunder Bay--+ Kenora) - aligns with nation-building criteria, supports economic reconciliation with Indigenous partners, and enables integrated EV charging and low-carbon construction practices;

WHEREAS analysis summarized by the Federation of Northern Ontario Municipalities, (FONOM) demonstrates high freight demand on these routes and strong safety/economic rationale for a 2+1 program;

THEREFORE BE IT RESOLVED THAT the Council of the Municipality of Killarney formally endorses the adoption and phased implementation of a 2+1 highway program on Highways 17 and 11 as a nation-building project; and

THAT the Government of Canada be urged to designate this initiative as a project of national interest under the Building Canada Act and to partner with Ontario to co-fund and accelerate planning, design, procurement, and construction; and

THAT the Government of Ontario be urged to expand the announced pilot to a corridor-wide program, sequencing works as follows (subject to readiness and safety benefit):

THAT the Government of Ontario prioritize these projects into the Ministry of Transportation's Major Projects Division; and

THAT both governments ensure early, ongoing, and capacity-supported engagement with affected Indigenous Nations, with opportunities for Indigenous training, contracting, and equity participation; and

THAT the program incorporate corridor-wide safety features (barrier-separated 2+1 cross-sections, controlled passing frequency, wildlife considerations), resilience measures (closure mitigation, climate adaptation), and clean-growth elements (EV charging readiness, recycled aggregates, lower-carbon materials); and

THAT this resolution be sent to the Prime Minister of Canada, the Premier of Ontario, the Minister of Transport (Canada), the Minister of Infrastructure (Canada), the Ontario Minister of Transportation, local MPs and MPPs, Federation of Northern Ontario Municipalities (FONOM), Northwestern Ontario Municipal Association (NOMA), Association of Municipalities of Ontario (AMO), Federation of Canadian Municipalities (FCM), Rural Ontario Municipal Association (ROMA), and the Eastern Ontario Wardens' Caucus (EOWC) for support.
