Tandem truck load: \$240 full load/\$120 half load

Tri-axle truck load: \$360 full load/\$180 half load

Landfill Operating Hours

Note: Killarney Village Spring Cleanup Week IS CANCELLED for 2026

Due to capacity limitations at the Killarney Village Landfill Site, the Municipality has suspended the annual Spring Clean-Up program in order to conserve remaining landfill space. This suspension will remain in effect until all required approvals are received from the Ministry of the Environment, Conservation and Parks (MECP) and the expansion requirements have been completed at the Killarney Village Landfill Site.

This decision was made after careful consideration of current operational constraints and the resources required to operate the program safely and effectively.

The Municipality is exploring alternative options and potential adjustments to its waste management programs to better support community needs.

In the meantime, residents are encouraged to continue using regular waste and recycling services.

We appreciate your understanding and cooperation
